Class Cancellations

Tyler Junior College reserves the right to cancel, combine, or divide classes and to change the time, date, place or course offerings, and to do so without incurring obligation.

Register early to be sure of a place in the class of your choice. Early registration often prevents cancellation of a class with light enrollment.

Refund Policy

Refunds may be requested at the registrar's office on campus or at the RTDC. The College refund policy is:

100% prior to the first class day or if class is cancelled by the College
80% during the first class day and NONE thereafter

Refunds will be mailed to the student's permanent address within 2-4 weeks.

Continuing Education Units

Tyler Junior College will award the Continuing Education Unit (CEU) to adults who participate in approved, non-credit continuing education activities administered by Tyler Junior College. One CEU is equal to 10 contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction and qualified instruction. In no instance should the award of CEU be equated with college credit applicable toward a degree.

Certificates

Certificates of completion are issued at the last class to those meeting attendance and/or grade requirements.

Hazlewood Act

Hazlewood students are exempt from tuition payment in non-credit courses but must pay their own fees. The published cost for non-credit courses includes both the tuition and the fees. The exact breakdown may be obtained at the time of registration or by calling the continuing education office.
